Corporate Data	1	Agency Business Plan(s)	This dataset contains financial pro-forma data for the Agency.	The Agency Business Plans are produced annually and contain a tabular representation of data used to project the financial position of the Agency including its projected revenues, expenditures, cashflow, assets and liabilities. Certain information is suppressed from the website when posted for commercial sensitivity reasons.	Business Plan	Carmelo.Notarbartolo@nfmforestry.ca	General Manager	Agency	2013-12-31	Annually by Dec 31	2013-12-31	Annually after approval by Minsiter	FALSE	Nawinginoikiima Forest Management Corporation	Annually	Will be made open/public	Commercial sensitivity	Business Plan contains 3-year financial pro-forma data	http://nfmforestry.ca/	Queen's Printer Licence	XLS	Agency Business Plans are submitted by the Agency and approved by the Minister prior to public posting
Corporate Data	2	Agency Annual Report(s)	This dataset contains audited financial data for the Agency.	The Agency Annual Reports are produced annually and contain a tabular representation of data used to present the financial position of the Agency including its actual revenues, expenditures, cashflow, assets and liabilities	Annual Report	Carmelo.Notarbartolo@nfmforestry.ca	General Manager	Agency	2013-07-31	Annual by July 31	2013-07-31	Annually after approval by Minsiter	FALSE	Nawinginoikiima Forest Management Corporation	Annually	Open/Public		Annual Report contains audited financial statements and data	http://nfmforestry.ca/	Queen's Printer Licence	XLS	Agency Annual Reports are submitted by the Agency for approval by the Minister and tabled in the Legislature before public posting
Corporate Data	3	Forest Resource Inventory	This dataset contains geographic information concerning the SFL's forest condition.	The forest resource inventory is an extensive survey of forest resources of Ontario. FRI is the basis of forest management planning. Forest resource inventories include information on species, sizes and number of trees in a forested area. FRI's are required on each management unit every 10 years and must be updated at the start of each new forest management plan to reflect all changes to the forest (every 10 years). FRI's are used for routine planning and modelling.	FRI	Carmelo.Notarbartolo@nfmforestry.ca	General Manager	Agency	2012-04-01 (Big Pic) & 2013-04-01 (Pic River)	Updated planning inventory expected in 2016	2012-04-01 (Big Pic) & 2013-04-01 (Pic River)		TRUE	Nawinginoikiima Forest Management Corporation	Base FRI per MNRF FRI renewal schedule and FMP schedule for planning inventory	Under review				Queen's Printer Licence	SHP	MNRF Forest Inventory Branch produces a base inventory with forest resource features that is maintained and updated by NFMC
Corporate Data	4	Supplemental Aerial Photography	This dataset contains aerial images of areas of forestry operations.	The FRI is augmented with Supplemental Aerial Photography. Large scale photography for specialized purposes such as cut block and regeneration surveys.	SAP	Carmelo.Notarbartolo@nfmforestry.ca	General Manager	Agency	2015-12-31	Photos usually updated annually				Nawinginoikiima Forest Management Corporation	Annually	Under review				None	SHP, IMG, SSF, DDF	NFMC collects information on a yearly basis. Aerial photography is collected and then geo-processed. This information may be used by NFMC contractors as part of their work.
Corporate Data	5	Forest Management Plan	This dataset contains information used to prepare the forest management plan for the SFL.	The forest management plan is produced in accordance with the requirements of the Forest Management Planning Manual. It contains multiple datasets and binders of information covering a broad range of requirements.	FMP	Carmelo.Notarbartolo@nfmforestry.ca	General Manager	Agency	2012-04-01 (Big Pic) & 2013-04-01 (Pic River)	2017-03-31 (Big Pic) & 2018-03-31 (Pic River)	2012-04-01 (Big Pic) & 2013-04-01 (Pic River)	2012-04-01 (Big Pic) & 2013-04-01 (Pic River)	TRUE	Nawinginoikiima Forest Management Corporation	Phase 1 every 10 years with Phase 2 update at year 5	Open/Public			http://www.efmp.lrc.gov.on.ca/eFMP/home.do	Ontario.ca Terms of Use	PDF	The final FMP is posted on the MNRF electronic FMP web page. The FMP process includes a number of opportunities for public review and input.
Corporate Data	6	Certification Audit Data	This dataset contains information used to prepare the Forest Stewardship Council certification application.	The requirements for Forest Stewardship Council certification include a wide range of forest condition and baseline data as well as projections.	FSC	Carmelo.Notarbartolo@nfmforestry.ca	General Manager	Agency	2014-04-01	2017-03-31			FALSE	Nawinginoikiima Forest Management Corporation	Annually	Will be made open/public			http://nfmforestry.ca/		XLS, PDF	The FSC audit and supporting documentation is made available per the terms and conditions set forth by the Forest Stewardship Council
Corporate Data	7	Annual Work Schedule	This dataset contains numeric and spatial data used to prepare annual work schedule.	The annual work schedule contains the information required to plan activities for the upcoming year. These schedules describe all forestry activities to be carried out that year namely harvest, renewal, road construction, prescribed burns, aerial pesticide spraying projects and insect pest management programs.	AWS	Carmelo.Notarbartolo@nfmforestry.ca	General Manager	Agency	2016-04-01	2017-03-31		Annually after approval by Minsiter	TRUE	Nawinginoikiima Forest Management Corporation	Annually	Open/Public			http://www.efmp.lrc.gov.on.ca/eFMP/home.do	Ontario.ca Terms of Use	DOC, XLS, PDF, SHP	The AWS is posted on the MNRF electronic FMP webpage
Corporate Data	8	Annual Report of Forest Management Activities	This dataset contains numeric and spatial data used to report the forest management activities for the year.	Each year, an annual report is prepared detailing the activities completed during the year for each management unit. The annual report includes information on: the amount of area and volume harvested; the amount of area site prepared and planted; natural disturbances, such as forest fires; and road construction and maintenance activities.	AR	Carmelo.Notarbartolo@nfmforestry.ca	General Manager	Agency	2016-04-01	2017-03-31		Annually after approval by Minsiter	TRUE	Nawinginoikiima Forest Management Corporation	Annually	Open/Public			http://www.efmp.lrc.gov.on.ca/eFMP/home.do	Ontario.ca Terms of Use	DOC, XLS, PDF, SHP	The AR is posted on the MNRF electronic FMP webpage

Corporate Data	9	Financial Management & Reporting	This dataset contains information related to NFM's financial reporting system.	NFMC maintains an integrated accounting package which maintains individual transaction details and includes data for accounts payable, accounts receivable, sales, etc.	SAGE	Carmelo.Notarbartolo@nfmforestry.ca	General Manager	Agency	2013-01-01	ongoing	ongoing	Information not published, continuously maintained for internal use	FALSE	Nawinginiikima Forest Management Corporation	continuous	Restricted	Commercial sensitivity	Ongoing financial management includes commercially sensitive pricing information			SAJ, SAI	This information includes all accounting transactions and details including sensitive pricing and contract information
Corporate Data	10	PMU_Detailed_BoL Report	This dataset contains information related to deliveries from the SFL's under NFM's management.	The MNRF maintains delivered volume information which it makes available through ITREES ITREES is the web-based interface to REGISTRATION and TREES.	ITREES	Carmelo.Notarbartolo@nfmforestry.ca	General Manager	Agency	2012-04-01	ongoing	ongoing	Information updated monthly and available for download by license holder	FALSE	Ontario Ministry of Natural Resources	continuous	Restricted	Commercial sensitivity	This dataset contains commercially sensitive information regarding wood utilization by various mills	https://www.lrcsde.lrc.gov.on.ca/ltrees-app/loginform.jsp	Queen's Printer Licence	CSV	This data is maintained by MNRF based on billing and scaling information from receiving mills
